Kuala Lumpur, 28 August 2025 – Permodalan Nasional Berhad (PNB)'s wholly owned unit trust management company, Amanah Saham Nasional Berhad (ASNB), today announced a total income distribution payout of RM1.18 billion, equivalent to 4.75 sen per unit, for its fixed price fund, Amanah Saham Malaysia 2 – Wawasan (ASM 2 Wawasan), for the financial year ending 31 August 2025.

The income distribution will benefit 983,505 unitholders who collectively own 25.5 billion units. This translates to a total return of 4.75%, outperforming its benchmark, the Maybank 12 Month Fixed Deposit at 2.46%, by 229 basis points. As of 25 August 2025, the fund recorded a net realised income of RM1.24 billion.

Amidst challenging domestic equity market, particularly in the first half of 2025, with the FBM KLCI recording a 1-year total return of -3.5% (as of 26 August 2025), ASM 2 Wawasan has continued to demonstrate resilience by delivering sustained competitive payout of 4.75 sen per unit, similar to previous year.

The fund's performance reflects PNB's disciplined approach to investing, guided by sound portfolio strategies, strong risk management practices, and a long-term commitment to delivering sustainable returns. Portfolio diversification has also continued to progress well in line with the fund's target Strategic Asset Allocation, with increased allocation to fixed income and global assets.

The fund generated most of its income from realised gains and dividend income via a diversified portfolio of domestic and global equities. To further enhance portfolio resilience and diversification, the fund has also allocated a meaningful portion of its assets to fixed income, real estate and private equity investments.

Computation of income distribution and suspension of the funds

The computation of income distribution for ASM 2 Wawasan is based on the average minimum monthly balance held throughout the financial year of the fund. The distribution declared by ASM 2 Wawasan will be automatically re-invested as additional units into unitholders' accounts on 1 September 2025.

Transactions for ASM 2 Wawasan at ASNB branches and agents, including all online channels and internet banking will be temporarily suspended from 30 to 31 August 2025 to facilitate the computation of the income distribution. Unitholders may resume transactions via myASNB portal (www.myasnb.com.my) and mobile application starting 1 September 2025 or at any ASNB branches and agents nationwide from 2 September 2025.
